

**Some examples of contacts and cooperations of Helmholtz in China:
Einige Beispiele für Kontakte und Kooperationen von Helmholtz in China:
Institutes of the Chinese Academy of Sciences / Institute der Chinesischen
Akademie der**

Wissenschaften:

High Energy Physics of Chinese Academy of Sciences, Beijing
Institute of Earth Environment of Chinese Academy of Sciences, Xi'an
Institute of Geodesy and Geophysics of Chinese Academy of Sciences, Wuhan
Institute of Modern Physics of the Chinese Academy of Sciences, Lanzhou
Institute of Plasma Physics of Chinese Academy of Sciences, Hefei

Other scientific Institutes / andere wissenschaftliche Institute:

Second Institute of Oceanography of the State Oceanic Administration, Hangzhou,
Polar Research Institute of China, Shanghai
Zhong-Shan Hospital and Liver Cancer Institute, Shanghai
China Aero Geophysical Survey & Remote Sensing Center for Land and Resources,
Beijing
Chinese Academy of Geological Sciences, Beijing
Chinese Academy of Agricultural Sciences, Beijing
South Western Institute of Physics, Chengdu

Universities / Universitäten:

Peking University, Beijing
Tsinghua University, Beijing
University of Science and Technology of China, Hefei
Institute of Nuclear Energy Technology, Tsinghua University, Beijing
Tongji University, Shanghai
Department of Biochemical Engineering, Tianjin University, Tianjin
Department of Chemistry, Wuhan University, Wuhan
University of Shanghai for Science and Technology, Shanghai
Plasma Physics Laboratory, Fudan University, Shanghai
Institute of Plasma Physics of Chinese Academy of Sciences, Hefei

Hospitals / Kliniken:

Tangdu Hospital (Second Hospital of the University),
Fourth Military Medical University, Xi'an
Fu Wai Hospital, Beijing
