

Helmholtz Distinguished Professorship – Funding for the recruitment of leading international female scientists (W3)

Call for applications – March 01, 2023

Annex 5: Declaration of consent regarding data protection

The Helmholtz Association intends to store and process the application for purposes of review, statistics and evaluation and, in the event that the application is approved to publish certain data.

I hereby agree to the electronic storage and processing of my personal data (surname, first name, academic title, country, date of birth, field of research, position, contact details) by the Helmholtz Association upon the submission of the application and to the use of this data for purposes of review, statistics and evaluation by the Helmholtz Association. In particular, this includes sending the application to external and internal reviewers.

In the event that my application is approved, I hereby agree to the publishing of this information by the Helmholtz Association, stating my name, academic title, the field of research, country and career details on the website www.helmholtz.de.

Information on the internet is accessible worldwide and can be found with search engines and linked to other information, which may be used to create personality profiles about me. Information posted on the internet, including photos, can be easily copied and distributed. There are specialized archiving services whose goal is to permanently document the state of certain websites on certain dates. This means that information published on the Internet may still be found elsewhere on the original site even after its deletion.

This consent is voluntary and I may revoke my consent at any time in the future in text form (e.g. letter, e-mail: datenschutz@helmholtz.de). In the event that I revoke my consent, my data will be erased and current funding will be ceased on the day of revocation.

Place, date

Signature of the nominated candidate

First and last name of the nominated candidate
