HELMHOLTZ

Research for grand challenges.

Application Annex AA4-HIEG (to be filled out by the Helmholtz Center)

Terms of Agreement

Please specify and confirm the following items concerning the Helmholtz Innovation Exploration Group of _____(name of candidate) in case of funding:

Co-funding: The Helmholtz Center confirms the co-funding provided by the Center (possibly shared with a project partner), amounting to at least 150,000 euros per year as co-financing to the funding from the Initiative and Networking Fund of the Helmholtz Association.	◯ Yes ◯ No
Employment conditions: The Helmholtz Center confirms that the planned employment conditions for the group leader (e.g., contract type, duration, salary level, role) have been discussed with the candidate.	◯ Yes ◯ No
Access to facilities, infrastructure and support: The Helmholtz Center confirms the provision of the necessary facilities (including furnishings and IT equipment), the relevant research infrastructure and, where applicable, access to institutional support structures (e.g., for technology transfer, commercialization or translational development) for the group leader and the group members.	◯ Yes ◯ No
IP handling: The Helmholtz Center confirms that the responsibilities and procedures for IP handling relevant to the project (e.g., invention disclosure, patenting, licensing, revenue sharing) have been clarified in principle, and that a responsible person or unit has been designated.	◯ Yes ◯ No

Leadership Training: The Helmholtz Center confirms that the Innovation Exploration Group leader will participate in the leadership training offered by the Helmholtz Leadership Academy within the first two years of the funding period. (Please note: The fee for the training may be covered either by the group's budget or by the hosting Center.)	◯ Yes ◯ No

Defined contact person: The Helmholtz Center confirms that the Innovation Exploration Group leader will have a designated contact person (such as an experienced group leader) available to them, especially during the initial phase.	◯ Yes: _____ (Name of contact person) ◯ No

Annual career development reflection: The Helmholtz Center confirms that the Innovation Exploration Group leader will have the opportunity to reflect on their development and discuss further career prospects within an appropriate framework at least once a year, and it specifies who will be responsible for this exchange at the Center.	◯ Yes: _____ (Name of contact person) ◯ No
