Research for grand challenges.

Application Annex AA6

Declaration of Consent relating to the **Helmholtz Investigator Groups & Helmholtz Innovation Exploration Groups** program of the Initiative and Networking Fund of the Helmholtz-Gemeinschaft Deutscher Forschungszentren e.V. (Helmholtz Association)

- to be submitted together with the proposal -

The Helmholtz Association intends to store and process the application and the personal information that you submit to us for purposes of review, statistics, and evaluation. Further, in the event that the application is approved, the Helmholtz Association will store project-related personal data for the processing of the funding.

I hereby agree to the electronic storing and processing of my personal information (i.e. surname, first name, gender, nationality, academic title and academic achievements, the field of research, curriculum vitae, employment position and status, career break information, contact details) by the Helmholtz Association upon the submission of the application and to the use of this data for purposes of **application review, statistics, and program evaluation** by the Helmholtz Association. This includes providing the following personal information to external and internal reviewers: surname, first name, academic title and academic achievements, the field of research, curriculum vitae, and employment position.

If my application is approved, I hereby agree to the processing of the following personal data for **funding processing, reporting, quality assurance and evaluation purposes**: surname, first name, gender, nationality, academic title and academic achievements, the field of research, employment position, and contact details.

Further, I agree to the Helmholtz Association **publishing** of the following information **on the Helmholtz website** in case I receive funding: first name and surname, academic title and academic achievements, the field of research.
Please note: Information on the internet is accessible worldwide and can be found via search engines and linked to other information, which may be used to create personal profiles about me. Information posted on the internet, including photos, can be easily copied and distributed. There are special archiving services, which permanently document the status of certain websites on certain dates. This can mean that information published on the internet can still be found elsewhere on the original site even after it has been deleted.

This consent is voluntary and I may revoke my consent at any time in the future in text form (e.g., letter or e-mail: impulsfonds@helmholtz.de). In the event that I revoke my consent, my data will be deleted within five working days. Failure to provide data required for the application process or the processing of the funding may result in the Helmholtz Association being unable to review my application or having to discontinue the funding. I can contact impulsfonds@helmholtz.de for further information on the consequences of withdrawing my consent to the storage and processing of specific personal data.
