HELMHOLTZ

Research for grand challenges.

Application Annex AA8-HIEG

Name of the candidate: _____

Career development plan for the group leader:

Please specify the planned career development trajectory of the candidate at your Center below briefly. This plan should be appropriate to the exploratory and non-tenure-track nature of the Exploration Track. For more details, you can attach a career development plan to this document:

- What are the qualification needs and requirements of the group leader (and further team members or the whole team, if applicable)?

- What are the planned qualification measures (such as workshops, coaching, and mentoring)?

- Please name a contact person for the group leader to reflect his or her career path on a regular basis: _____
