

## Dr. Golo Fuchert

### Current position

Research Scientist in the Division “Stellarator Heating and Optimization” (E3), MPI for Plasma Physics, Greifswald (since 2015)

### Previous position

Postdoc Researcher, IJL, Université de Lorraine, Nancy (2014)

### Scientific degree

PhD in Physics, University of Stuttgart (2013)

### Recent research topics

Stellarator physics, core confinement, high-temperature plasma diagnostics, SOL turbulence

### Membership

Member of the Italian Society for Chaos and Complexity (SICC) (since 2017)

### Publications (5 most important)
